

VISION STATEMENT

Our vision at Iramoo Community Centre is to be a vibrant and inclusive hub that connects, empowers, and supports the growth of our community. We strive to foster resilience, lifelong learning, and personal growth by offering diverse programs and services in a safe and welcoming environment.

MISSION & OBJECTIVES

The Iramoo Community Centre is dedicated to working closely with the Wyndham communities to create safe, accessible, and functional spaces where people can gather, socialise, and collaborate. It strives to foster strong, vibrant, and resilient communities by offering access to high quality programs, activities, and events while ensuring the Centre's long term sustainability through effective and efficient management of its assets, finances, and employees.

The Iramoo Community Centre strategic framework on the following page provides a high-level visual representation of the:

- mission and vision,
- outcomes aimed at achieving as a result of the various activities
- strategic direction deployed that is anticipated to enable us to realise the identified outcomes

The remainder of the document provides a more detailed account of the nature and type of operational activities that are deployed under each strategic response.
