SEPTEMBER 2026

COULD IRAMOO BE YOUR GROUP'S HOME IN 2027?

Are you part of a sporting group, dance class, creative group, fitness program or community organisation looking for a regular place to meet in 2027?

Iramoo Community Centre is inviting Expressions of Interest from permanent hirers looking for a regular space throughout the year.

Our centre provides a welcoming and community-focused environment for groups of all kinds. Whether you're running a weekly class, a regular activity, a social group or a community program, we'd love to hear from you.

We're particularly interested in hearing from sporting groups, dance and movement classes, fitness and wellbeing programs, arts and craft groups, music groups, community organisations, clubs and other local groups looking for a regular venue.

Hiring a regular space at Iramoo is more than just having somewhere to meet - it's an opportunity to become part of a vibrant community hub and connect with people from across our local area.

If you're an established group looking for a new venue, or you're planning to start something new in 2027, now is the perfect time to get in touch and discuss your requirements with our team.

Expressions of Interest close Friday 23 October 2026.

If you're interested in making Iramoo Community Centre your group's home in 2027, contact us today on 8742 3688 or email admin@iramoooc.com.au

Thinking about starting a new group or bringing an existing group to Iramoo? Get in touch!

Information Session

MOVE BETTER. FEEL STRONGER.

Discover how strength training can help you live with less pain and improve your wellbeing.

With **Michael Garofalo**
Senior Exercise Scientist and Community Engagement Leader at Kieser Werribee.

This session will focus on:

- Benefits of Strength training
- Pain management
- Weight loss

Michael will share how strength training can support both your physical and mental health.

Kieser is an Australian strength training company that helps people build strength, improve function and live well.

Learn how targeted strength training can help manage chronic pain and support mental wellbeing.
