

COMMUNITY GARDEN

Iramoo Community Centre is seeking to establish partnerships with local organisations to support enhancements to our Community Garden.

This collaboration would provide local organisations with an opportunity to contribute to the local community by helping us grow and distribute fresh fruits and vegetables to individuals and families in need.

HOW YOU CAN GET INVOLVED

There are several meaningful ways local businesses can get involved in this project – from monetary and in-kind donations, to hosting gardening workshops or sharing expert tips and advice to help us maximise the garden's potential. However you choose to support us, your contribution makes a real difference to the Wyndham community.

Some ways local businesses can support our garden are:

- Buying one of our Partnership Packages - packages start at \$500,
- Providing donations of plants, soil, and gardening equipment,
- Offering your time, advice and expertise to ensure that we are maximising the potential of the garden,
- Being a guest speaker at one of our upcoming garden workshops.

HOW WE THANK YOU

- Your logo and business details on our marketing material,
- Your business will be Included in media releases relating to the Community Garden,
- Mentions on our social media pages,
- The opportunity to engage with our community members at various events and workshops,
- Advertising in our quarterly newsletters.

'Connecting Hearts. Building Communities.'
